

United Fitness Academy Equal Opportunities and Diversity Policy

Policy

Error! No bookmark name given. We promote a working environment in which diversity is recognised, valued and encouraged. We acknowledge the multi-cultural and diverse nature of the UK workforce and society in general. We are committed to principles of fairness and mutual respect where everyone accepts the concept of individual responsibility. These principles are imbedded into United Fitness Academy selection, recruitment, programme delivery and assessment. We recognise that discrimination in the workplace/provision of training in any form is unacceptable and in most cases unlawful. We view any breach seriously. We will investigate and potentially take appropriate action.

No learner or anyone our organisation deals with receives less favourable treatment because of their protected characteristics. The protected characteristics are: -

- Age
- Disability
- Gender Reassignment
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race (including colour, nationality, ethnic or national origin)
- Religion or Belief
- Sex
- Sexual Orientation

United Fitness Academy Stance

In adhering with this stance United Fitness Academy ensures equality of treatment for all by aiming to:

- Raise awareness of equality and diversity
- Ensure that you are never discriminated against or receive less favourable treatment because of a protective characteristic
- Acknowledge any issues that could be defined as discrimination, victimisation or harassment with an appropriate sensitive and prompt investigation
- Comply with Awarding Organisation in making suitable reasonable adjustments which can apply to all the listed protected characteristics.

Your Responsibilities

Each one of us is a stakeholder in the success of this policy. We expect you to make a positive contribution towards maintaining an environment of equal opportunity throughout the organisation. Please make sure you observe this policy always. You have individual responsibility to adopt the following:

- Do not take unlawful discriminatory actions or decisions contrary to the spirit of this policy.
- Do not discriminate against, harass, abuse or intimidate anyone because their protected characteristics.
- Do not place pressure on any other learners to act in a discriminatory manner.
- Resist pressure to discriminate placed on you by others and report such approaches to an appropriate member of staff.
- Co-operate when we investigate, including providing evidence of conduct which may amount to discrimination.
- Co-operate with any measures introduced to develop or monitor equal opportunity.

Discrimination is not just treating one person less favourably than another. It can take place because: -

- someone associates with a person with a protected characteristic;
- someone is believed to possess a protected characteristic (even though they don't);
- something particularly disadvantages people who share a protected characteristic more than others.

We expect you to treat, and be treated by, other learners and the people our organisation deals with considerately and with respect.

Where You Encounter Discrimination

- If you feel subject to discrimination of any kind as identified within this policy, make clear to the individual concerned that you find it unacceptable. Person-to-person discussion at an early stage may be enough to resolve it without involving anyone else. Alternately, seek the help of a trusted learner and ask them to approach whoever has caused you offence.
- If discrimination continues, or you consider an instance to be particularly serious, you should consider who they should highlight the issue to. For most cases this will likely to be the tutor or assessor. However, we appreciate that this staff member may be implicated in your concern and therefore when this happens they should approach the tutor/assessors line manager or the designated internal verifier, Charlie Heywood.
- The staff member approached will carry out a suitable investigation or where more appropriate will refer the issue to an appropriate individual responsible for this area within the company.
- The result of the investigation into alleged discrimination will be communicated to you with information on the action taken and outcome highlighted if applicable or appropriate.
- If you feel dissatisfied about the outcome of the investigation and you want to appeal then you will need to contact Managing Director within five working days, who will carry out/appoint a senior staff member to review these concerns.

Thank you for your contribution and commitment to making our policy work.
